

The Spring Bay Community Boat Shed

BEST WISHES FOR A VERY HAPPY AND PROSPEROUS NEW YEAR

The December-January Newsletter of the Spring Bay Community Boat Shed
And so we have had Christmas and what have we done? – in a word – Lots!
The Shed has continued to develop and strengthen inside and outside activities.

Our achievements are a credit to our members, both old and new, and we look forward to a very promising New Year and much further progress.

‘All at The Shed’ trust that you had a very enjoyable Christmas Time, and that you will have a really good rest afterwards as well!

Photo Gallery

The chosen pictures help to share what we do and where we’ve been.

In a very short period recently we have a newly fitted gas stove, new uniform polo shirts and a most welcome and informative lunch visit from Peter Hopkins from Marine and Safety Tasmania.

The shed celebrated our year and the coming Festive Season with a luncheon at the Orford Roadhouse on December 3rd. A good time was had by all!

Excursions to local boat builders Grant Andrews and Russell Gray

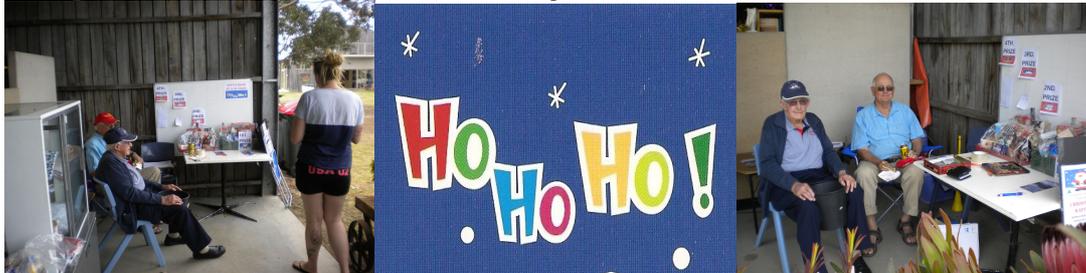

- Our restoration programme is moving into the Epoxy stage and having the opportunity to visit and share with Grant and Russell was a very important part of our understanding and development.

The Boat Shed Christmas Raffle

The raffle was drawn on 21st December at the Village Market. \$415 raised.

Congratulations to the prize winners:-

1st Byron Westthorp; 2nd David Gatenby; 3rd Ken Paton; 4th Robert Tunstal

Thanks to all our very generous hamper item donors, individual prize donors Triabunna Gourmet Meats and Noel and Pat Burnell. Thank you all ticket buyers and to our crew on site on the day. Great work Stan, Peter and Gary.

Futures

The Shed will function on a reduced level & Opening days will depend on demand and food supplies will be BYO to give our catering team a break. We will be joining with the Wooden Boat Guild of Tasmania for an event at Little Swanport in mid - January.

The Australian Wooden Boat Festival is very fast approaching and the Shed will be represented by the cruising dinghy 'Touchwood' afloat in Constitution Dock. There will not be a Shed marquee exhibit as in 2013, giving members a chance to more easily visit and appreciate the Festival.

HAPPY NEW YEAR FROM ALL AT THE BOAT SHED
